

## **SPONSORS FOR THE PULLENVALE STATE SCHOOL TRIVIA NIGHT- 18/11/22**

Dear Community Member and Local Business

We can not believe that we are already approaching the busy season for the end of the year. We hope that this communication finds you and your business well.

We will be running one of our targeted fundraisers on the 18<sup>th</sup> of November 2022- a Trivia Night. This will be a combined effort between the P&C Association and the School Staff.

We will be working together for the purpose of raising money to go towards an **electronic notice board for school communications and notices**. Strategic and targeted communication is part of our efficiency and strategic plan. This vital equipment has been quoted in the region at approximately \$30 000! As we prioritise increased communication inside and outside of our school community, we wanted to raise this money together through a special Trivia and Social Event for the school and wider community.

### **SPONSORSHIP OPPORTUNITIES**

We are seeking **sponsorship** from families and businesses within our community for our biggest community fundraising event of the year.
